

WALNUT GROVE UMC OUTDOOR DRIVE-IN WORSHIP GUIDELINES

Sunday, July 19, 2020 @10:00am

As we resume worshipping together, you are encouraged to follow the guidelines listed below.

Arrival:

- Enter from Walnut Grove Church Road on the driveway closest to the woods (by the cemetery).
- Parking attendants will be on site to direct you to your parking space.

Masks:

- If your windows are UP, you do NOT need to wear a mask.
- If your windows are DOWN, you DO need to wear a mask which covers your mouth and nose. **If you don't have a mask, we have a limited supply. Tell Amanda.**

During the service:

- The service will be heard via an FM channel on your car radio. The exact channel will be posted in the parking lot and on the modular deck/ramp the evening of the service.
- Everyone, including children, should remain in their car.
- Due to the way the service is being presented and with respect to social distancing we ask that you **stay in your car**. If you to want to speak with others while are **in your car**, please wear your masks.
- If you wish to sing during the service, please keep your window up. There is very strong clinical evidence that COVID 19 can be transmitted during singing.

Bathroom visits:

- We recommend that you take a bathroom break prior to leaving home. Our bathroom hallway is very narrow and will not permit us to keep a social distance of 6 feet. Therefore, only 1 person will be allowed in and out at a time. Someone will be stationed at the door.

After the service/Offering:

- Parking attendants will direct you to exit the parking lot on the Hawkins Road side.
- A container for the offering will be placed near the exit to use as you leave.

REMINDER: Don't forget to print your bulletin or download it to your phone!
